

## Families Moving Forward

## Laundry Volunteers

Thank you for helping with Families Moving Forward at Lumen Christi.

As a Laundry Volunteer, please be sure that these items are complete to help ensure an easy transition, offices transformed to family bedrooms, for our next guests!

\_\_\_ Go to the parish center on our final hosting Sunday to pick up the laundry.

\_\_\_ End of stay -

We can begin to strip linens at 9:30, so 10:30 to noon is pick up timing.

You may return linens the following week, during office hours.

\_\_\_ Please pick up the laundry on the ground level, under the coat racks near the office. It will be in bags.

\_\_\_ Pick up several unused yellow laundry bags for clean linen return.

\_\_\_ Suggestion to wear gloves when handling soiled linens.

\_\_\_ Please return the cleaned, folded bedclothes sorted into sheet sets - one fitted and one flat sheet inside of a pillowcase. Please place any extra sheets, that don't fit into a set, in a separate pile. Please fold all towels and washcloths and place in a separate bag. This makes storage and retrieval for next time more efficient for all of us.

\_\_\_ Please return cleaned, folded sheet sets, towels, mattress pads, blankets, kitchen items, etc. in separate marked bags. This, too, will help us immensely to prepare for our next guests.

\_\_\_ Clearly mark FMF and the contents on each bag that is returned.
