

Parish Council Roles

Ministry Council Rep

The Ministry Council Reps meet with the Executive Committee and other Ministry Council Reps after their individual ministry councils. This meeting is generally from 8-9pm. In order to ensure that we do not keep people too late and that we are able to work in a collaborative manor, below are the major roles and responsibilities of the Reps.

- 1) Confirm with your individual council any major items that your council would like brought forward to the rest of the body.
- 2) Present this information in a timely manner to the Excon, no more than 3 minutes for reporting updates and information. Longer time might be needed for bigger items which is the goal of the larger group, if planning permits, please inform either the Parish Council President or Parish Director to allow for time and planning.
- 3) Bring back to your council via email any questions, ideas or concerns regarding information brought forward. There might be items of conversation for your next ministry council. The information from the executive council will be shared via email in minute notes but highlight items or ideas where your ministry council might be involved.

We would like to move to a more strategic and visionary body. In order for this to happen, we would like to cut back on general reporting and move into strategic planning. We do not want to diminish the work that your councils are doing but please try to be concise with reporting. Our hope is to have ideas and ways of collaboration, come to the surface during these gatherings and would like to allow for time to discuss and brainstorm those.

Thank you for your service and ministry!
