

Guiding Values ✱

These guiding values provide a foundation for our actions, interactions, and decisions. They are intended to be of equal importance, and thus listed alphabetically, and to apply to all God's people without exception.

As members of Lumen Christi Catholic Community, we are guided by these values:

Compassionate Listening

We discern God's voice by listening with a loving heart, in prayer and in dialogue with each other, and by being especially aware of those who might be overlooked or in personal darkness.

Gratitude

We are grateful for our lives and God's love, and in turn share our gifts with God and others.

Life-long Faith Formation

We enter more deeply into our Catholic faith and spirituality through experience, reflection, prayer and education from Baptism through end of life.

Prayer

We believe the celebration of the Eucharist is fundamental to our faith. The Eucharistic liturgy and all other forms of prayer strengthen our faith in God and our connection with one another.

Respect

We embrace the uniqueness of each individual and enter into all encounters with compassion and respect. In honoring our differences, we are transformed to reflect God's presence.

Service

We act through charity to help meet the immediate needs of the poor and vulnerable, and through social justice to promote the human dignity afforded all God's people.

Transparency

We are committed to honesty, integrity, dialogue and open communication to carry out our mission with credibility and trust.

Welcoming Community

We seek to shine the light of Christ on every person we encounter, inside and outside our parish community.
