Engaging with Catholic Charities 2019 Legislative Priorities

Legislative advocacy and community engagement have always been a part of Catholic Charities' mission.

We believe that as a community of faith, you too, have a calling and desire to commit to the work of advocating for change in our community.

Over the past several years, Catholic Charities has been a leader on important policy issues – using our expertise and credibility as a direct service provider to lend weight and influence voices on issues especially at the local and state level. We want your voice and experience to be part the work of social justice and legislative advocacy for those most in need in our community.

TOPICS INCLUDE:

- Highlights of Catholic Charities 2019 Legislative Agenda
- Connecting Catholic Charities staff and client stories to our advocacy work
- Supporting the integration of charity and justice
