## **Baptism Policy during COVID-19 Pandemic**

*Updated June 23, 2020*

Baptism joins us with Christ and forms us into God's disciples. Through Baptism, we receive the outpouring of the Holy Spirit and accept God's transforming love.

In accordance with guidelines issued by the Archdiocese of Saint Paul and Minneapolis, along with directives from state and federal government officials, we will be limited in our baptismal practices in the following ways until further notice:

- Baptisms will occur on the weekend and time will be coordinated with the staff liaison.
- Please make sure that your child(ren) come dressed in a white garment.
- A total of 20 people from each family will be accommodated in the church building.
- A distance of six feet between individuals and each group of persons living in the same household will be kept at all times.
- Any individuals experiencing symptoms of COVID-19, and all those who have been exposed to the virus are asked not to attend the Baptism or enter the church building.
- Face masks are required at all times by everyone in the church building. Any individuals not wearing a mask will be asked to leave the building.
- If you are able, please use the bathroom before coming.
